EDUCATION

Oriental Institute of Science and Technology   Bhopal, Madhya Pradesh
Bachelor of Technology – CSE-AIML   November 2021 – May 2025

SKILLS SUMMARY

- **Programming Language**: Java
- **Database Management**: MongoDB
- **Web Development**: HTML/CSS, JavaScript, React.js, Node.js, Express.js, Next.js
- **Tools & Platforms**: GIT, GitHub, Postman

PROJECTS

- **Fiverr Clone(React,js, SCSS)**:   *May 2024 – Ongoing*
  - Built a Fiverr clone using React.js and SCSS, focusing on replicating key functionalities of the platform.
  - Implemented static data rendering for service listings and user profiles, simulating a real-world application environment.
  - Styled the application using SCSS, with an emphasis on modular design, though not optimized for responsiveness.
  - Built and managed the website : https://prakharfiverr.netlify.app/

- **Real Estate Website (React.js, HTML, CSS)**:   *March 2024 – April 2024*
  - Developed a fully responsive real estate website using React.js, HTML, and CSS, ensuring seamless accessibility across devices..
  - Displayed static property listings with detailed information, focusing on visual appeal and user engagement.
  - Crafted a clean and intuitive design with modular code, optimizing for ease of navigation and user experience.
  - Built and managed the website : https://prakhar-react-estate.netlify.app/

- **Restaurant Landing Page (React.js, HTML, CSS)**:   *April 2023 - May 2023*
  - Designed a visually appealing restaurant landing page using React.js, HTML, and CSS, focusing on creating an inviting user interface.
  - Implemented static content to showcase menu highlights, restaurant features, and key information in an engaging format.
  - Crafted a responsive design that ensures optimal viewing experience across all devices, enhancing user accessibility and interaction.
  - Built and managed the website : https://prakharsharma13.github.io/react-fine-dine/

CO-CURRICULAR AND ACHIEVEMENTS

- Maintained a coding streak of over 100 days on LeetCode and GeeksforGeeks, solving 400+ coding problems, demonstrating strong problem-solving skills and commitment to continuous learning.

EXTRA-CURRICULAR AND HOBBIES

- Video Editing: Skilled in using CapCut Pro to create and edit high-quality videos. Achieved a following of 30k+ on Instagram by posting edited reels, with a reach of 3M+ views in less than a month.
